SCHEDULE 1

TRANSITIONAL ARRANGEMENTS

1. This Schedule applies:
 - a) if, on the day that the Logan Basin Resource Operations Plan (the Plan) commences, the licence holder is unable to meet the requirements of the Plan so as to comply with Conditions 1, 2 and 3 of this licence;
 - b) only to the extent that the licence holder is unable to comply with the Plan and Conditions 1, 2 and 3 of this licence.

2. Notwithstanding Conditions 1, 2 and 3, the licence holder must:
 - a) comply with the Plan section 12 in submitting for approval by the Chief Executive the licence holder's statement of current programs and interim program for the implementation of the Plan;
 - b) to the extent that the licence holder's inability to comply with the Plan and Conditions 1, 2 and 3 of this licence relates to an operation or matter for which provision was made in the previous authorisation for the Logan River Water Supply Scheme as in force immediately before the commencement of the Plan – continue to comply with the previous authorisation in respect of the matter or operation as if the previous authorisation had not ceased to have effect, but only until the Chief Executive approves the licence holder's interim program under the Plan section 12;
 - c) following the Chief Executive's approval of the licensee's interim program under the Plan section 12 – continue to operate, meter and undertake monitoring and reporting in accordance with the interim program approved by the Chief Executive, but only to the extent of the elements of the interim program that have not been replaced by the arrangements implemented under the approved program.
